PUBLIC TRANSPORT FARES

We have been advised by Auckland Transport that public transport fares are changing for under 25's from Wednesday 01 May.

This means that from Wednesday 1 May:

5 to 12 year olds will no longer travel for free on weekdays and will instead pay a child concession (at least 40% off adult fares). They will continue to travel for free on weekends. The child concession will apply to anyone aged 5 to 15, who has a registered AT HOP card with their correct date of birth.

13 to 15 year olds will stop receiving the half-price child fares discount and instead switch to paying full child fares (at least 40% off an adult fare during weekdays, and free travel on weekends) from 1 May. The child concession will apply to anyone aged 5 to 15, who has a registered AT HOP card with their correct date of birth.

16 to 19 year olds with a secondary student concession will stop receiving the half-price secondary fares discount and instead switch to paying full secondary fares (at least 40% off an adult fare). Students aged 16-19 should apply for the secondary student concession to ensure they are paying the cheapest fare possible.

More information about the discounts and what you may need to do next can be found at [AT.govt.nz/farechanges](https://at.govt.nz/farechanges)

TE KURA KAUPAPA MAORI O HARATAUNGA

Next week a small group of students and one kaiako will travel from Harataunga to spend a few days with us here. The main aim of this is whakawhanaungatanga, the second aim is for their ākonga to receive art classes and their kaiako is preparing some lessons to teach our students in return. This will be the start of another awesome relationship that we are building with another Kura. Heading into term 2 we will be sending a van or two down to Harataunga to live life in the Taiao aka Moana.
