## Upcoming Kaupapa

### Blanket Permission Slip for Tamaki Makaurau

To make this a little easier for whānau & kaiako, a blanket permission slip will be created to cover haerenga that occur within Tāmaki (**from Silverdale in the north to Bombay in the south**) during the course of a Kura day and conclude prior to the end of a normal kura day.

Where a haerenga involves risk assessed to be greater than that associated with the average Kura day, for example, rock climbing or the haerenga continues overnight, a specific permission slip will be distributed for each event. At the time of our seeking any further permission you will also be asked to update health and contact information held by the Kura.

Please complete the [permission slip here](#). The idea around this blanket consent form, is to have consent for any haerenga within the suggested boundaries as kaiako have found whānau are missing permission slips resulting in tamariki having to be sent home or kaiako rushing to gain consent the morning of haerenga. All haerenga information will be shared in the weekly pānui as normal.

### Noho Pō - Rāpare 20 - Rāmere 21 o Maehe - Tau 1 - 6
